Michael Zatey

michaelzatey@gmail.com / +233204826671 / Accra, Greater Accra Region

Summary

As a multi-talented professional with a background in architectural visualization, graphic design, 3D modeling and animation, web design, and web application development, I bring a diverse set of skills to the table. My expertise in these areas has allowed me to develop an extensive portfolio of visually stunning designs and engaging web applications. With a keen eye for detail and a passion for staying on top of industry trends and technologies, I am an asset to any team looking to create visually appealing and functional products.
